A top-down view of a wooden desk with various stationery items. In the top left is a dark, faceted geometric object. In the top right is a pair of black earbuds with a coiled cable. Along the left edge are three closed notebooks: a blue one with a cardholder, a red one with a cardholder, and a black one with a cardholder. Along the bottom edge are three open notebooks with lined pages, and a silver pen lies vertically on the right. A large, semi-transparent white rectangle is centered over the notebooks, containing text.
